# Dear Friend of Weatherby's,

## Winter/Spring 2022

With our second year of COVID behind us, we are looking forward to the new year hoping for the best but seeing more of the same - more travel restrictions, more testing and social distancing, etc. It is our hope that you have navigated these COVID years unscathed, however

know that it is unlikely. It has touched all of us in different ways and we all hope for the best for everyone in 2022. With this in mind, at the time of this printing, we will continue to follow our COVID protocols with enhanced cleaning, limit in-room contact and social distancing in our dining room. We will continue to offer dining in cabins or outside if requested. We highly recommend all of our guests be fully vaccinated prior to arrival as well. Together we can keep each other safe.

the Maine Sportsman and while fishing in Iceland in 2021 she made the front page of the Reykjavik morning news with several of her monster brown trout! She has fished in AK, MT, SC, NC, Iceland and all across Maine. It is clear she has a bright angling future ahead of her.

In 2021 we hosted a group of men in various stages of cancer recovery/treatment again in September through Reel Recovery. The organization is dedicated to helping men with cancer through fly fishing. www.reelrecovery.org If you have any men in your life dealing with cancer that would like to fly fish check them out.

New Offering - Roach River, Spencer Bay Moosehead lake - we are offering a remote wade fishing trip on the famous Roach River for fall spawning landlocked salmon and wild brook trout. These trips will be three

nights camping on Moosehead lake just minutes from the river with two and a half days of guided fishing.

In addition, we will again be offering our four night West Branch of the Penobscot wilderness canoe camping and fishing adventure in late September. We have been battling low water conditions for the last two years, but modifying our expectations and still able to get at the fish. Hoping for a big snow year to fill the watershed for the season.

We are keeping our fingers crossed for stories in both Fly Fish Journal about Keaton and Maine Magazine about our English cockers spaniels coming up this year. Keep your eyes open, but of course we will share when we know.

Finally, we want congratulate and welcome Hamilton Gray to our team of professional guides working at Weatherby's Hamilton worked for us all last season and fished pretty much every waking hour that he was not working. He is a 2x Maine high school state champion and a passionate fly angler and tier. You will want to fish with this guy.

Here's hoping for a healthy and prosperous 2022!

Warm regards,

The Weatherby's Crew

#### West Branch of the Penobscot and the Fox Hole

This gem of a trip is a combination canoe camping and fly fishing adventure. The journey will begin at the confluence of Lobster Stream and the West Branch. You will spend much of the first afternoon traveling down river to our base camp that will be waiting for you. Your guides will prepare fine meals and cater to your angling needs during your four nights on the river. You will fish for three full days before traveling back up river on day five. The fishing is for wild landlocked salmon by casting primarily streamers, wet flies and nymphs and you will get around by canoe and or wading, depending on stream flows. Wildlife may include moose, deer, beavers, otters, osprey, bald eagles and more. Combined with crisp fall days, cool September nights, good food and better bourbon, this is a bucket list trip for some and an annual event for many. Space is limited. Available dates are September 27- October 1. Four anglers. Cost \$1842 PP, DO.

#### Roach River - Spencer Bay, Moosehead Lake

Consider joining us for our first guided Roach River fishing trip for wild pre-spawn Maine brook trout and wild pre-spawn landlocked salmon. We will camp on the shores of Moosehead Lake just minutes from the sacred waters of the Roach River, which is managed by Maine Fisheries as a wild brook trout and salmon spawning river. The fish are fat and strong, fresh out of Moosehead Lake

- Maine's largest lake. As these fish are fresh from Moosehead, they are willing to take big streamer flies, but nymphing can also be very productive. Our dates are scheduled for early September and will include three nights camping with two and a half days of guided fishing, with all your meals and camping equipment. Available dates are September 10-12, 13-15, 16-18. Cost \$1050 PP, DO. Limit, two anglers per trip.

### Upland Hunting at Weatherby's

Every fall, the cooler weather and change of foliage mark the start of our upland season on September 26. Both dogs and hunters anxiously anticipate opening day with unbridled excitement. Boots are oiled, shot-guns checked and our best friends - the bird dogs - are spoiled. The preseason preparations are a ritual that all upland hunters know. At Weatherby's, it is no different. We love to hunt, but we don't take ourselves too seriously. It is about the woods, fresh air, wildlife, foliage, a few birds - but mostly about the dogs. There is nothing like following a good bird dog through the woods of downeast Maine in search of wild grouse and woodcock. Consider joining us for a hunt this fall and experience our grand tradition, that being upland hunting at Weatherby's!

at Weatherby's! Of course experienced hunters may always join us for a hunt in Grand Lake Stream for grouse, woodcock and waterfowl - guided or unguided. Limitless cover, open access, excellent flush rates.

October in Grand Lake Stream is also time for our fall run of spawning salmon. We fish until October 25 so it is possible to mix a little fishing with your hunt and we offer fall specials to help accommodate a cast and blast option for you.

#### North Woods Grouse Camp 2022

Most grouse hunters put down their shotguns by the end of October, even though grouse hunting season runs through to the end of December. Typically early November can provide some of the best grouse hunting of the season with cold temps and good visibility in the woods. We will be hunting into the second week of November 2022, guiding small parties of hunters in the "big woods" of northern Maine. Grouse populations tend to run high in this region of the state with some days producing 30+ grouse flushes. We

utilize rustic spike camps in the Allagash region that will be able to accommodate a large group or multiple smaller groups. The hunts will be fully guided and outfitted 2:1, meals included. The cabins are clean, comfortable and warm. There will be no running water or electricity, adding to the ambiance of the experience. This is a hunt for the hunter that loves grouse hunting and can live without all the modern amenities. If you are interested in joining us on a hunt, you will not be disappointed. The Allagash Country will lure you deeper and deeper into the wilderness and the rewards from hunting, camaraderie, wildlife sightings and overall experience will be first rate. Our 2021 hunts saw the best bird numbers we have ever seen combined with some very nice, calm and dry weather. Upwards of 30 grouse days were the norm. Ironically the woodcock numbers were low this year due inpart to exceptionally nice weather. Wildlife sightings are always a bonus - including moose, Canada Lynx, coyotes, fisher, snowshoe hare, snow buntings, pine grosbeaks, ravens, bald eagles, and numerous other bird species. Consider joining us in 2022 for this unique

wilderness hunting experience. You will not be disappointed. Four nights, three days guided hunting, double occupancy, all meals - \$1595 PP, minimum two guns. Call today to book your hunt at 877-796-5558. 2022 dates begin October 30 and run through November 13.

# 2021 20" Club Hall of Fame

The 2021 fishing season brought another proverbial boat load of big fish to the net. Although no records were set, you should have seen the ones that got away! Remember the anglers listed below **only claim** to have caught these fish. Often times there are no photos nor witnesses. These are real fish stories told by real fishermen. The 2021 list is the largest we have recorded due in part to an exceptionally busy season with more anglers, but also an incredibly strong late salmon season. Fish of particular significance include a 27 inch chain pickerel caught by Richard Parsons and a 24 in salmon caught by Henry Whittemore

License, tax/gratuity. We offer a one time 20% discount on any

ORVIS product to all fishing school participants.

### Weatherby's Breeding Update

No good news on this front, unfortunately to say. We tried breeding Weatherby's 5X Tippet - one of Curly and Gus pups, but it did not take. Given that, we will try again next winter. Curly is done breeding. She gave us three great litters and I had to promise her that her only job moving forward would be finding grouse and woodcock. We are aware of other litters that we can connect you with if interested.

Contact Jeff if you are interested in one of these awesome hunting/companion dogs, please give us a call to discuss. AKC registered and pedigrees available upon request

#### Rake Fest 2022

Every spring we invite our friends to come help get us ready for the season. It has become more than just a work weekend at Weatherby's. It is a Rite of Spring. And without the help, we would be in a world of leaves. We limit the group size to 20 and we have many repeat rakers every year. If you would

like to join in the fun, give Jeff a call. A little raking, a little fishing, good beer and food, great camaraderie. The designated weekend this year will be April 30 and May 1, 2022.
